

# Accessible Beaches in Brewster

**Beach Wheelchairs:** Brewster has three beach wheelchairs, two of which are Mobi-Chairs (which float in the water) and one regular beach wheelchair. One of the Mobi-Chairs is permanently located at Long Pond for the public's use, free of charge. The other two beach wheelchairs are available for loan at the the Council on Aging, 1673 Main Street, 508-896-2737, with pickup during weekday hours, Monday-Friday from 8:30am to 4pm. A donation of \$10 is requested. The chairs can be reserved; they are loaned out for one-two days at a time, which can be extended if not otherwise reserved. The weight limit for the beach wheelchairs is 250 pounds. The Mobi-Chair folds up for easy transport; the other is bulkier, does not fold up, and needs a larger vehicle for transport.

\*Crosby Landing is considered wheelchair accessible ONLY when the proper boardwalk is in place, usually July through August.

### Special Notes

- There is an accessible portable bathroom facility at Linnell Landing and Upper Mill Pond.
- Ellis Landing has one, extra large, 'van accessible' parking space, part of which can be used as a viewing area for a wheelchair user. The beach itself is not accessible by any type of wheelchair.
- Sheep Pond has an accessible platform but access is not recommended for anyone using a wheelchair or beach wheelchair due to the topography - very steep slope.
